Prawn Skewers, Face Painting, Baked Goods & more!

Support our School

COLLECT YOUR WOOLIES STICKERS!

Collection box at the school office.
One at Woolworths Ingham.
One at Woolworths Mission beach.

FROM THE PRINCIPAL...

NAPLAN Online Information Session - I will be attending a workshop in Cairns on Wednesday as Cardwell State School is to be a Trial school for NAPLAN Online in 2018.
It is important that our school has the required ICT requirements and an audit will be completed very soon to make sure we are ready.
It is also crucial that staff and students are prepared for this testing, by understanding computer processes and the way the questions and tasks are presented.

WHAT’S IN THE LUNCH BOX?

We have a small, but growing, number of students whose lunch boxes contain packaged and processed food, and nothing else. Lately there has been a noticeable increase in the number of packets of chips, Twisties and popcorn.
These goodies are fine for a treat every now and then but should not be all that is in a student’s lunch box.
We encourage all students to have a sandwich and some fruit and vegetables in their lunch daily.
Thank you to the many mums and older students who do organise and pack a healthy sandwich, wrap and fruit daily.
Also, just a reminder to pack a spoon if you send your child with yoghurt or fruit tubs. Teachers on duty are not able to provide these.

Grounds Committee Meeting - Several staff and P&C members met last Thursday to prioritise several jobs and projects that we need to work on over the coming 12 to 18 months. A list of these will be released for your information in the near future.
One urgent wish by the committee is to see the vegetable gardens planted and maintained by students, teachers, parents and community members.

SOS - The annual School Opinion Surveys have been inserted in today’s newsletter.
All families, school staff and year 5 and 6 students will be invited to participate.
To complete the survey, parents will need to use the login and password on the page and the follow the prompts. Should you require access to a computer please contact the office and we can make one available for your use.
We appreciate your taking the time to complete this survey. Thank you!

ROAD SAFETY - Students who walk or ride to and from school are asked to cross the road and walk along the foreshore path, as members of the community have stressed their concern about students crossing on street corners on the western side of the highway. The Post Office corner has been mentioned as a very confusing corner for drivers and a safety concern for our students.
Parents of students who do walk or ride, could you please have a chat regarding road safety.
We have reminded the students at school. Thank you!

CALENDAR - KEEP THESE DATES...

Term 3
Week 6 - Monday 14th August - Peninsular Athletics.
Saturday - P&C Cent Sale and Fashion Parades
