FROM THE PRINCIPAL...

CENT SALE AND FASHION PARADE - Congratulations to the P&C for organising and conducting a very successful community day for our school last Saturday.
A thank you goes to Antonette who organised the program and fashion show, and, with her dedicated band of helpers worked on collecting prizes from near and far, wrapped them and then conducted the extensive draw.
Thank you to all the business houses and private community members who made donations. There were some truly beautiful gifts and your generosity and support for our school was overwhelming.
Thank you to everyone who sold the countless tickets both on the day and beforehand.
Thank you to every other P&C member and Cardwell parent who helped by organising the many other jobs – floats, purchase of supplies and refreshments. Many people baked, made sandwiches, barbecued, fried and served the hungry spectators.
Many mums, dads and children arrived early for the setting up and stayed late for packing away – thank you. It was much appreciated.
Thank you to our school staff who helped set up and pack up, sold tickets, modelled in the adult fashion show and helped with the student fashion parade. Your time and assistance was much appreciated.
Thank you to the wonderful students who modelled the clothes for Iggludens. You auditioned well and listened so carefully during your practice session. Our stars include – Chaycee, Howard, Isabella, Margaret, Cash, Karlena, Rosealee, Ashlin, Akira, Nikita, Lisa, Leila and Jace. Well done! Thank you to Robyn Baits who put together a lovely variety of clothing. Several of our preps looked gorgeous done! Thank you to Robyn Batts who put together a lovely variety of clothing. Several of our preps looked gorgeous done! Thank you to Jodie Jansen. Congratulations to the Student Council members who raised $100 for the school. Thank you to everyone who enjoyed the day, and, to those who were fortunate enough to win a prize, congratulations!

NAPLAN Online Information Session - NAPLAN results have arrived and have been distributed to students in Year 3 and year 5. Well done to all of our participants for this year. Students who have enrolled at our school since the end of May, may have to wait a little longer for their results to be sent through from their previous school. I will discuss our overall school results and trends in our next newsletter.

EVENT @ Cardwell State School ...

The Townsville Astronomy Group and Full Throttle Theatre have teamed up to bring what is believed to be a world first tour during the 2017 winter.

The new production Astronomical not only delivers belly laughs as it explores the Universe, but the audience participates by looking at the various astronomical wonders through large computer controlled telescopes.

Meet Galileo, Einstein, Neil Armstrong and others as they lead you though the history of Astronomy.

The show is suitable for all ages between 6 and 96.

How to book:
Contact your local council
www.fullthrottletheatre.com
@Astronomical2017WinterTour

Congratulations Dylan on your efforts at Peninsula.

Andrew working very hard at his colourful painting during our Visual Arts Class which is held every Friday.

Head Lice - just a reminder to be vigilant and check your child’s heads tonight and every 2 days until there are no head lice found for 14 consecutive days. Plaiting long hair or tying it back is often helpful.
