Under this agreement for 2016
Cardwell State School will receive $49,570*

This funding will be used to

At Cardwell State School, we guarantee that every student will either:
- Achieve NMS in literacy and numeracy for their year level or
- Have an evidence based learning plan in place to address their specific learning needs.

Additionally we will:
- Increase % of Prep students attaining regional targets from 80% in 2015 to 90% in 2016.
- Increase % of year 3 students in the U2B in reading from 50% in 2015 to 75% in 2016.
- Increase % of year 5 students in the U2B in writing from 0% in 2015 to 60% in 2016.
- Increase % of year 5 students in the U2B in numeracy from 0% in 2015 to 60% in 2016.

Every student accessing a different year level curriculum (with an ICP) will achieve a ‘C’ standard or better against the relevant year-level achievement standard in literacy and numeracy.

Our initiatives include

- Examining attendance targets and reviewing all procedures. This will include administration staff to monitor absences, contact parents, prepare letters and acknowledge those reaching school target of 95% or more.
- Providing PD and support for all staff but in particular new staff in areas of ET and Consolidations.
- Release teachers every 5 weeks for review meetings to build teacher data literacy and planning skills.
- Engage an extra teacher to implement our NAPLAN Preparation with year 3 and 5 students.
- Increase T.A. hours during priority learning times of literacy and numeracy and support indigenous students.
- Fund resources for reading and numeracy e.g. group readings every child with a book, Stepping Stones Program for numeracy.

Our school will improve student outcomes by
