

Investing for Success

Under this agreement for 2022

Cardwell State School will receive

\$71,883.00*

This funding will be used to

Cardwell State School will plan to ensure the success of every student, through imbedding an evidence driven, whole school approach for teaching literacy and embed consistent approaches to support student social and emotional wellbeing. The evidence tells us that when staff and student wellbeing is supported, learning and achievement will follow.

Our initiatives include

Our approach to reading and student wellbeing across the school will include:

1. Implement a systematic approach to teaching synthetic phonics, spelling and writing.
2. Develop strong systems for early intervention.
3. Strengthen the approach to student social and emotional wellbeing by implementing a school wide approach.
